About Us...

Evolving Media Services specializes in customized weddings productions. We offer special effects, transitions, music, titles, and editing styles to your preference. With up to three cameras, you never miss that special shot. Now you can complement any video production with great photos! Our photography staff captures all the moments of your wedding day from start to finish in a "photojournalistic" style.

This brochure serves as a guide to a wide range of videography & photography services available to you, our customer. The packages were designed to provide the up most coverage of your memorable event at an affordable price. If you prefer a more customized package, feel free to browse our online package calculator or e-mail us to get more info at sales@evolvingservices.com. Custom services range from videography, photography, video editing, VHS to DVD Conversions, scanning, and other custom media services.

We look forward to meeting with you, to answer any questions or concerns. Give us a call to setup an appointment and make sure to visit our online gallery of video & photos on the web at www.evolvingservices.com
